Those subject to frequent "colds in the head" will find that the use of HALL'S CATARRH MEDICINE will build up the System, cleanse the Blood and render them less liable to colds. Repeated attacks of Acute Catarrh may lead to Chronic Catarrh. HALL'S CATARRH MEDICINE is taken internally and acts through the Blood on the Mucous Surfaces of the System, thus reducing the inflammation and restoring normal conditions. All druggists. Circulars free. P. J. Cheney & Co., Toledo, Ohio.

HIGH SCHOOL NOTES

By Publicity Committee.

Yesterday afternoon while Miss Bowen's Physical Training class played basket ball the boys devoted their attention to track. This was the first time that the girls played basket ball this year and also the first time that the boys have practiced track. About 4 o'clock the girls finished playing and then the boys played until about five thirty. At 5 o'clock the boys noticed that the fence and one of the outbuildings of Doctor Mitchell's across the street were on fire and so they ran over and put it out.

Dr. Jones will make a talk at the Hi-Y meeting tomorrow. His subject will be "Our Country."

Last week Mr. Capps introduced a new report blank in order that the teachers may make a better and more complete report of their work. This will enable the superintendent to keep in close touch with the condition of the school.

The library received a very interesting bulletin from Lindenwood College this week.

EFFECTS OF CONSTIPATION

Constipation causes a stoppage of the sewerage system of the body. The poisonous refuse matter that should be carried away is retained in the system and often poisons the blood and causes numerous disorders. No one can afford to neglect his bowels. A dose of Chamberlain's Tablets will afford relief. Avoid drastic cathartics as they take too much water out of the system and their use is likely to be followed by consumption.
